It will be seen that the work carried on last year was greater in both the In-patients and the Out-patients Departments, and thanks are due to the Honorary Medical and Surgical Staff for their constant services. The Committee much regret that owing to other duties Mr. Archer Hall is unable to continue his services as Honorary Ophthalmologist, but the new Dental Department, carried on by Mr. A. G. Clenndinnen, continues to be a useful feature of the Out-patient Department.

The Committee record their great regret that Dr. Avent, who has been associated with the Honorary Staff for over 27 years, has been obliged to withdraw his active help owing to ill-health, and the hearty thanks of the Governors are due to Dr. Avent for his devoted services to the work of the Hospital. In accord with the Fundamental Laws of the Hospital, Dr. Avent has been elected a Consulting Physician.

The total income for the year 1927 shows an increase of £582, as compared with 1926; the subscriptions showed a slight increase, and the supernumerary tickets issued to subscribers realised more. The income was greatly assisted by a donation of £800 from the Birmingham Hospitals Fund, and the Committee express their thanks for the further grants received from the Hospital Saturday Fund and the Hospital Sunday Fund, and for a legacy received from the estate of the late Thomas Crowley.

The total expenditure was £5,759, as compared with £5,177 in 1926. The principal increases were £152 in Salaries Account, £215 in Domestic Expenses and Renewals, and £278 in Surgical Expenses and Equipment. The latter item included the cost of Optical and Dental outfits.

During the year it was necessary to realise all available investments and use the amount for current expenditure, and the balance remaining in the Legacy Fund has been deducted from the deficit, leaving a debit balance of £227 14s. 5d.

The only sums unappropriated are the Endowment Fund of £1,058 18s. 6d., and the X-Ray Fund, £104 4s. 6d.

In view of the considerable amount by which the normal annual expenditure exceeds the present annual income, the Committee earnestly appeal for increased

donations and annual subscriptions to enable the work of the Hospital to be carried on.

Certain unavoidable alterations have been put in hand and the work is being done in the most economical manner; these will entail an expenditure approximating £2,000, and include alterations in the Staff accommodation and a new gas cooking installation.

REPORT OF WARDROBE AND RELIEF COMMITTEE, 1927.

The work of this Ladies' Committee has been continued during the past year on much the same lines as previous years. Four new members have joined the Committee, but it is with great regret that the Committee have accepted the resignation of Miss Innes, who has been Treasurer for a great number of years, and has done a great deal of work for the Hospital. Ten bed jackets have been supplied to the patients.

The Needlework Guild has collected 72 garments through Miss Innes.

The Sewing Meeting is held in the Board Room at the Hospital at 10.30 a.m. on the third Thursday in each month; new members are invited.

J. BENNETT, *Hon. Secretary.*

Our appeal for Pound Day raised the sum of £133 3s. 7d., and the groceries totalled 1,608 lbs.

Mrs. Gilbert Dennison kindly organised a Jumble Sale, which raised £11 10s. 7d.

Our thanks are due to all our helpers.

L. HOPE WRIGHT, *Hon. Secretary.*

FUNDAMENTAL LAWS
OF THE
BIRMINGHAM AND MIDLAND HOMŒOPATHIC
HOSPITAL AND DISPENSARY.

As amended and adopted at a Special General Meeting
of Governors held on the 30th day of June, 1927.

I.—The Institution shall be called the “Birmingham and Midland Homœopathic Hospital and Dispensary.”

II.—In-patients shall be admitted at the discretion of the medical staff, the number of free beds available being regulated by the financial position of the Hospital.

III.—Beds may be reserved for paying patients, at the discretion of the House Committee, at such charge as the Committee may from time to time direct.

IV.—Subscribers of one guinea per annum and upwards, and donors of twenty guineas and upwards, in one or two sums, shall be Governors.

V.—An annual general meeting of Governors shall be held, at which a report of the preceding year's transactions shall be presented, and officers for the ensuing year elected.

VI.—A special general meeting of the Governors shall be convened at any time the Committee may think desirable, or upon the written requisition of not less than five Governors; the circular convening such meeting shall state the object for which it is called, and the time and place of meeting, and shall be issued not less than fourteen days before the meeting.

VII.—Donors of twenty guineas and upwards, in one or two sums, and subscribers of five guineas annually, shall be entitled to two votes at special general meetings. Subscribers of one guinea and upwards annually shall be entitled to one vote.

VIII.—

- (a) Subscribers of five guineas annually shall be entitled to have twenty-two out-patients' tickets, and seven for home visits, during the year.
- (b) Subscribers of four guineas annually shall be entitled to have sixteen out-patients' tickets, and six for home visits, during the year.
- (c) Subscribers of three guineas annually shall be entitled to have fourteen out-patients' tickets, and four for home visits, during the year.
- (d) Subscribers of two guineas annually shall be entitled to have eight out-patients' tickets and three for home visits, during the year.
- (e) Subscribers of one guinea annually shall be entitled to have six out-patients' tickets and one for home visits, during the year.
- (f) Subscribers of half-a-guinea annually shall be entitled to have four out-patients' tickets during the year.
- (g) Donors of twenty guineas and upwards shall have the same privileges as subscribers of three guineas annually.

IX.—All annual subscriptions shall be considered due on the 1st of January, 1st of April, 1st of July, or 1st of October in each year; and no Governor whose subscription is in arrear shall be entitled to vote at any general meeting, or to participate in other privileges conferred by the Institution.

X.—The Officers of the Institution shall be a President, an Honorary Treasurer, an Honorary Secretary, Members of the General Committee, and Auditors, who shall be appointed by a majority of votes at the annual general meeting. The Honorary Treasurer and the Honorary Secretary shall be *ex-officio* members of the Committee. The members of the General Committee shall not exceed fifteen in number, exclusive of the *ex-officio* members.

XI.—The members of the Honorary Medical Staff of the Institution shall constitute the Medical Board, and shall be, together with the Honorary Consulting Staff, *ex-officio* members of the Committee.

XII.—The Committee shall have the management of the Hospital, and shall appoint the Honorary Medical Officers, the House Surgeon, Matron, Dispenser, and Secretary. The Committee shall have power to dismiss any except the Honorary Medical Officers.

XIII.—In case a majority of at least three-fourths of the Committee present and voting at a meeting, convened or made special for that purpose, shall resolve that any member of the Honorary Medical Staff is incapable of efficiently discharging his duties, or has so conducted himself that his continuance in office would be detrimental to the Hospital, the Committee shall so report to a special general meeting of Governors, which meeting shall have the power to remove him from his office.

XIV.—At every election, by the Committee, of Honorary Medical Officers a ballot shall take place if demanded, the day and time being notified by the Secretary, with not less than fourteen days' previous notice thereof.

XV.—Any member of the Honorary Medical Staff who shall retire after having served the Hospital fifteen years shall be eligible to be elected, by the Committee, a Consulting Physician or Surgeon.

XVI.—The Committee shall have power to make and alter bye-laws for the administration of the Institution. They shall also have power to recommend any alterations of the Fundamental Laws, such recommendations being submitted to, and subject to the approval of, a general meeting of Governors to be called for the purpose.

XVII.—No member of the Committee shall debate or vote on any point wherein he is personally or pecuniarily interested; but he shall be allowed to give an explanation, and shall then retire.

XVIII.—The Committee shall meet once in each month, or more frequently if necessary. The Honorary Secretary shall summon a special meeting on the written requisition of two members of the Committee, and shall specify on the circular calling such meeting the business for which it is convened. Seven members of the Committee shall constitute a quorum.

XIX.—In the interests of the Hospital it is necessary that members of the General Committee should give their personal attention to its affairs; and, therefore, any member not attending (except by permission of the Chairman) at least three meetings of the General Committee during the year, shall not be eligible for re-election for the ensuing year.

XX.—At every meeting of the Committee the proceedings of the previous meeting shall be read over and signed by the Chairman. The proceedings of each meeting shall be registered by the Secretary, and each meeting shall have the power of adjournment.

XXI.—At the first meeting the Committee shall elect its Chairman for the ensuing year, who, in addition to his vote as a member of the Committee, shall be entitled to a casting vote in case of equality of numbers.
